Woman's club Wednesday afternoon at her cottage on — street. The afternoon was devoted to Greek art.

A special feature of the afternoon was a cordial letter of greeting to the club from Rev. Strong, giving the club an especial invitation to attend the special series of sermons to be delivered at the Congregational church. At the close of the program sandwiches, fruit and coffee were served by Mrs. Cormack.

The Woman's club is very proud of Mrs. Cormack. Although the mother of five children she keeps abreast of the times intellectually and, besides, writes all the club poetry.

Wednesday, Nov. 6, was Woman's day in charge of Mrs. Sellers. The attendance was small owing to the fact that many of the members were absent attending the Federation meet ing. Mrs. Sellers prepared a most inter-esting program showing actual work slong civic and philanthropic lines of club women until the members present

were foiling over with enthusiasm.

The meeting was at Mrs. Wire's and the one next week will be at Mrs. Sellers'.
